Student Learning Pathways

Introduction

- Student learning pathways are based on initial assessment on entry.
- Students are assessed at what they have achieved and not what they are working towards, i.e. if students are achieving M2.1c they have achieved are solidly M.1, working towards M.2
- Our pathways are based on Milestones, which equate to Level 1 (Year 1 expected).
- The pathways will show expected outcomes at the end of KS3, which will inform accreditation and Post 16.

Pathways

Year 7 on Entry

Pathway		End of KS3	End of KS4	End of KS5
