

LANSDOWNE SCHOOL NEWSLETTER

Dear Parents, Carers, and Pupils,

Welcome back to a new school year at Lansdowne School! We hope you all had a restful break and are feeling refreshed for the weeks ahead.

It was a pleasure to see our pupils back in school and to welcome the new Year 7s. We have been so impressed how quickly they have settled into the routines and structures of the school day. This term, we have lots of engaging activities planned, as well as opportunities for our pupils to continue developing their skills and confidence. Last Friday some of the older pupils met the senior education officer from the Houses of Parliament who explained what happens there and why it is important. This was a timely visit given the recent proposal to lower the voting age to 16 years old.

This week, groups of students from across the school returned to New Start to learn and improve their joinery know-how, others went to Roots & Shoots in Kennington to hone their green-fingered skills! There will be lots more trips coming up which provide pupils with memorable experiences to complement their class-based learning. Watch this space!

Thank you for your ongoing support. It is much appreciated and makes a huge difference. If you have any questions or need support, please do not hesitate to get in touch with us.

We look forward to a fantastic term ahead!

Francis Downing
Head of School

Class of the Week
in KS3

Congratulations!

Friday's Whole School Assembly

Every Friday morning one of our Classes takes the lead in presenting an Assembly to the whole school. Parents and Carers are invited to attend when their child's class is presenting. We will send letters in advance letting you know the date and time. We hope you will be able to attend.

Next Friday's Assembly Class

8FB

on 19th September
at 9.10am

Forest School Returns

This week has seen the return of Forest School. Some old faces have returned along with a number of new recruits, and we are all excited to spend another year getting to know each other – as well as the forest of course!

This week we decided to go on a walk into the woods.

We each found a suitable stick to help us on our way as we were a bit out of practice after the long summer holiday! We also used our pruning saws to cut some small discs that we are going to use in next week's activity...

—Mr Hilton and Beth
