

**Lansdowne School
School Council Minutes
18th December 2025**

Chair: Karma

Key Discussion Points:

- Young Vic Project has concluded after 12 weeks. Student A (Year 12) and Student B (Year 12) really enjoyed the Project and the sharing event where they performed in front of an audience.
- Winter Fair – students enjoyed it but would have liked cotton candy, more outside activities, and for it to be longer
- School Council Lanyards are on hold until funding is agreed
- Christmas Dinner – was delicious and enjoyed

Suggestions for Improvements:

- Christmas Crackers to be requested for Christmas Dinner
- More footballs requested for the playground
- School dinners – students would like pizza

The next meeting is arranged for Thursday, 8th January at 11.30am.
