**School Council Minutes**  
**26<sup>th</sup> March 2026**

Chair: Ms Line

Holidays

Ms Line asked the students when the holidays were and reminded them that they start back on the Tuesday, not the Monday.

She asked what they were doing during their holidays and some of the replies were:

Elijah – going to Spain

Gabriel – relaxing

Ethan – going to his nan’s and doing an Easter egg hunt

Kelly – going to Madeira

Christian – might be relaxing

Change to TAs

It was discussed about the TAs changing to staying with a class instead of a teacher.

Gabriel asked ‘what if it’s a bad idea’ and Ms Line replied that they’ll be trying it out.

Ms Line told each student which TA will be with their class.

Some students don’t like the changes to the TAs

Ms Line asked for suggested improvements to the school.

The suggestions were:

Gabriel – wants a water gun fight (and Kelly wants the water guns provided)

Ethan - a fence around the basketball court and the water taps in the playground fixed

Lily - every day to be a no-uniform day

Tyrone - people to use the correct bins for recycling

Denae – a slide for the playground

A student mentioned the swings and Ms Line said that they’d be back after the holidays but with new rules

Following a suggestion from Tyrelle that the whole school trip should be at a water park, Ms Line asked for other ideas of where to go.

Gabriel – the beach

Denae – Legoland

Tyrone – Transport Museum

Kelly – Miami

Lily – swimming (Lucezia mentioned that we’d need a pool)

As a last comment, Gabriel said that the tissues in the toilets run out too quickly
